

data_queue_push

```
graph LR; A[data_queue_push] --> B[data_queue_is_full]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow. The left box is filled with a dark gray color and contains the text 'data_queue_push'. The right box is white with a thin black border and contains the text 'data_queue_is_full'. A solid blue arrow points from the right side of the first box to the left side of the second box.

data_queue_is_full
