

serial_port_initialize

```
graph LR; A[serial_port_initialize] --> B[data_queue_init];
```

A flow diagram consisting of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'serial_port_initialize'. The right box is gray with a black border and contains the text 'data_queue_init'. A blue arrow points from the right side of the first box to the left side of the second box.

data_queue_init
